

Jan/Feb 2025 Khulna_ Barisal Winter Relief Project – SR19009

January-2025	Let your light so shine before men, that they may see your good works, and glorify your father which is in heaven. Matt 5:16

Project Planning and Survey:

To identify the communities most in need, we conducted a local needs assessment through our network leaders. They compiled a prioritized list of families who were the most vulnerable and in need of assistance, including: Disabled, elderly individuals, widows and economically disadvantaged families without discrimination.

Primary List of Beneficiaries:

TOL leaders, in collaboration with local community leaders, prepared a primary list of affected families. This list served as the basis for the distribution of Blanket.

Distribution Summary:

Beneficiary Families: 10,500 families (~63,000 people)

Areas Covered: 5 districts and 56

villages.

Cost of each Blanket: We provide 10500 Families one Blanket which approx. cost was $2.20.

Area-wise Beneficiaries families Details:

District Name	Village	Total Families
Satkhira	24	8100
Khulna	10	400
Barisal	12	900
Jalokati	7	100
Noakhali	3	1000
Total: -	**56**	**10500**

Impact on the life of the community:

Due to prolonged flooding, the homes and essential winter clothing of the poor and helpless people in the affected areas were destroyed, leaving them to endure extreme hardship and suffering. Notably, during the flood, our food packet assistance significantly alleviated their distress.

To help them cope with the severe cold, we have provided each family with two blankets, which has offered them some relief from the harsh winter. Elderly individuals and children, in particular, have greatly benefited from this support.
We earnestly request you to pray for these vulnerable people so that they may find strength and courage to move forward during this difficult time.
