May 2024 Khulna-Barisal Clean Water Well Project Phase - SR18548

Project Report

Subject: Provision of Safe Drinking Water through Deep Tube Well Installation
Location: Satkhira, Khulna, Barisal, Jhalokathi (Bangladesh)
Partner Organization: Send Relief
Date: May 26, 2025

1. Background and Purpose

In the southern districts of Bangladesh—Satkhira, Khulna, Barisal, and Jhalokathi—many impoverished and vulnerable people lack access to safe drinking water. To address this urgent need, Baptist Global Response partnered with us to install 43 deep tube wells across 36 villages for 500 families (~18,000 people).

2. Implementation and Outcome

- A total of 43 deep tube wells were installed across 36 villages.
- Impacted: 500 families (18,000 beneficiaries)
- Each village now has a reliable source of safe drinking water.

3. Conclusion

This project was not merely humanitarian—it led to improvement in the quality of life for thousands. Many now have access to safe drinking water for the 1st time.

We express our heartfelt gratitude to Baptist Global Response for their invaluable partnership. With continued support, we hope to reach even more villages with the love of Christ.
