New Life Medical Camps (Sept-Oct 2023)

I. Needs Assessment
New Life Hospital staff surveyed 5 communities without access to public health care and made proposals for free medical health clinics for these 5 communities.

II. Proposal, Goals & Objectives
Proposal for free health clinics in 5 communities without access to public health care with a goal of providing health education and free medical care to the people in these communities with an objective of improving overall health care of the targeted communities.

III. Approved Budget: $15,422

IV. Outcomes Achieved
The clinics were greatly appreciated by the communities and over 5000+ people (1000+ families) were seen my medical doctors who evaluated health conditions and provided free medical care to all patients.

Message from New Life President Sinai Harpal:

Greetings to you! Hope this mail finds you at the best of your health. I would like to express my genuine gratitude to you for your prayers and generosity for the Community health clinics. My heart is overflowing with joy to inform you that New Life Ministries, Kesinga had organized free community health clinics for more than 5000 people with free treatment and education in Sikuli, Norla, Narabahali, Mahichal and Funda areas. Thank you again for your prayers and great support.
